

# Dance Camps

Participants will learn and experience a variety of dance styles throughout a two day and/or four day dance camp. These styles will consist of Street Dance, Contemporary, Musical Theatre and even some Cheer Dance.

The leader and tutor of the dance camps is a QUALIFIED DANCE and PE TEACHER.

Dance camp is for children between the ages of 9-14 of all levels of dancer from beginner to advanced. It really does not matter about any previous experiences as each dance routine will be differentiated in order for every child to experience success, gain confidence, develop their dance skills and most importantly enjoy themselves.

Our dance camps focus on a number of key factors to ensure your child has a great time:

- ◆ Opportunities to try new dance styles
- ◆ A variety of dance styles
- ◆ Learn new movement material
- ◆ Improve their dance performance skills
- ◆ Improve their choreography skills
- ◆ Success and fun
